

Dale's SPOTLIGHT Market Update: AVOCADOS 11/14/18

The avocado strike has ended and pickers are picking and packers are packing! It will take a few days to fill the pipeline and restore transactions to a normal level. In an effort to secure fruit as quickly as possible, we will load assorted sizes of Bacons & Fuertes (green skin fruit) this weekend with the intent of delivering to your stores on Tuesday, November 20.

Thank you for your patience during this gap in avocado production. We will be back in the game as soon as possible.
