

Week of 01/01/2024

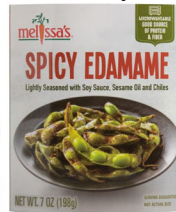

**FEATURED ITEMS:**

- **Organic Polenta:** Ready-to-use chub. Add broth or coconut milk to reconstitute and serve like grits, or slice and fry or sauté. Available year-round.
- **Egg Roll Wrappers:** Our vegan egg roll wrappers are traditionally used in Asian recipes but work for any cuisine — think turnovers and taco cups!
- **Wonton Wrappers:** Our vegan wrappers are perfect for making air fryer dumplings, pot stickers and ravioli. Year-round availability in good supplies.
- **Spicy Edamame (Thailand):** Add a little spice to your appetizers with these seasoned soybeans. Year-round availability in good supplies.
- **Jicama (Mexico):** These starchy tubers are great for slicing into sticks for dipping, or used like a potato. New crop, waxed. Available year-round.
- **Dekopon Mandarins (USA-CA):** Super-sized, super sweet, seedless and oh so juicy! Moderate supplies on new crop thru March.
- **Cooked Quinoa:** Slice for sliders, cube for hash, or crumble and add to eggs or muffin batter for a hearty breakfast. Year-round.
- **Honeycomb (USA-CA):** Use on charcuteries, spread onto crackers, toast and more. Year-round availability in good supplies.
- **Soy Taco/ Soyrizo:** Meat your Taco Tuesday essentials; these convenient vegan products are easy to use. Available year-round.
- **Grinders:** The freshest flavor comes from whole spices; season with just a twist. In stock, year-round.
