Market Update

@MelissasProduce

Week of 3/3/2025

FEATURED ITEMS:

- **Organic Chestnut Snax®:** Back in stock! Available year-round with good supplies now.
- **Organic Jicama (Mexico):** Good supplies thru December on this versatile tuber. Slice into sticks for dipping or dice into salads to add crunch.
- **Organic White Dragon Fruit (Ecuador):** Juicy and delicious, perfect for snacking or platters. Available year-round with good supplies now.
- **Organic Strawberries (USA-CA):** The best of the best! Harry's Berries available with moderate supplies thru May.
- **Organic Bartlett Pears (Argentina):** Full-flavored for desserts or eating out-of-hand. Good supplies thru April.
- **Pink Lady Apples (USA-WA):** Crisp and juicy, perfect for snacking, slicing into salads or for dipping. Good supplies thru May.
- **Ojai Pixie Tangerines (USA-CA):** Great for on-the go; easy to peel and eat. New crop with good supplies thru May.
- **Long Stem Artichokes (USA-CA):** Steam or grill for a delicious treat-the long stem is edible, too. Good supplies thru April.
