

Ojai Pixie Tangerines

Week of 04/08/2024

FEATURED ITEMS:

- **Sweet Sugar Mangos® (Columbia):** Juicy and delicious for snacking, platters, and desserts. Good supplies for the next 4-6 weeks, thru May.
- **Quince (Chile):** Generally cooked and used in desserts, quince adds a bittersweet flavor to dishes. Moderate supplies thru May.
- **Jackfruit (Mexico):** Often prepared as a meat substitute because of its texture, this sweet fruit is also delicious in desserts. Good supplies now.
- **Purple Asparagus (Peru):** Grill or blanch to keep the purple hue on this sweeter than the green variety vegetable. Moderate supplies thru May.
- **Jicama (Mexico):** Delicious enjoyed raw, sliced into sticks for dipping or used in recipes for added crunch. Good supplies now with year-round availability.
- **Baby Broccoli (USA-CA/ Mexico):** These tiny florets with long stems are delicious prepared into sides or stir-fry dishes. Good supplies with year-round availability.
- **Tamale Kit:** Everything you need to make tamales except the filling! Year-round availability with good supplies. Perfect for upcoming Cinco de Mayo!
- **Crepes:** Versatile for savory or sweet dishes. Year-round availability with good supplies. Perfect for upcoming Mother's Day.
