

Week of 04/17/23

**FEATURED ITEMS:**

- **Green Kohlrabi (USA-CA):** Versatile root to slice and dice for sides, casseroles and soups. Good supplies now with year-round availability.
- **Sugar Snap Peas (Mexico):** Add color to sides and salads, with these crisp, sweet peas. Available yellow or purple. Moderate supplies next 4 weeks.
- **Rhubarb (USA-WA):** This colorful, tart vegetable is used like a fruit for pies and desserts. Moderate supplies to start with availability thru September.
- **Bhut Jolokia (Netherlands):** Hot! Hot! Hottest! Off the charts heat to add flavor and spice to your favorite recipes. Limited to start, available thru December.
- **GEM® Avocados (USA-CA):** Creamy and delicious, use to make the perfect guacamole or garnish. Moderate supplies thru June.
- **Seedless Lemons (USA-CA):** Add a squeeze to enhance meat, fish and poultry. Use in dressings and desserts. Good supplies thru May.
- **Korean Melons (Mexico):** Sweet, delicious and perfect for slicing into fruit salads, onto platters or for smoothies. Good supplies thru June.
- **Piel de Sapo Melons (Costa Rica):** Sweet, white, juicy flesh, perfect for snacking and platters. Season is short! (2-3 weeks), get 'em while they last.
- **Organic Yellow Dragon Fruit (Ecuador):** Sweet and juicy, making them perfect for snacking, desserts and drinks.
- **Organic Strawberries (USA-CA):** Harry's Berries are full-flavored, sweet with unmatched taste. Good supplies thru June.
