

@MelissasProduce

Week of 05/01/23

melissa's organic™ DRIED FIGS AND DATES

FEATURED ITEMS:

- **Organic Dried Figs & Dates (USA-CA):** Ready-to-eat for snacking, charcuterie boards or baking. In stock now with year-round availability.
- **Organic Valencia Oranges (USA-CA):** Juicy, full-flavored, perfect for juicing, lunches or on-the-go snacking. New crop available thru Sept. in good supply.
- **Star Apples (Vietnam):** Actually a variety of sapote, once cut, displays a unique star shape. Enjoy the flesh scooped out with a spoon.
- **Asaki Melons (Mexico):** Crisp and juicy, the perfect size for two to enjoy. Good supply available thru June.
- **Green Tomatoes (Canada):** Generally eaten fried, but can also be enjoyed fresh in salads or sides. Year-round availability, with good supplies now.
- **Japanese Eggplant (Mexico):** Delicious in stir-fry or sides. Good supplies now with year-round availability.
- **Organic Extra Firm Pressed Tofu (USA):** This delicious hand-pressed tofu can get crispy on the outside and stay soft on the inside. Available year-round.
- **Orange Habanero Salsa (USA):** Add flavor and heat to sauces, sides, dressings and more. In stock now with year-round availability.
- **Dried Tomatoes (USA-CA):** Add flavor to salads, dips and charcuterie boards. Available year-round.
