GOURMET DESSERT SAUCES

FEATURED ITEMS:

- **Heirloom Figs (USA-CA):** Enjoy these seasonal favorites on charcuteries, stuffed or made into jam. Good supply on new crop thru September.
- **Lemonade Apples (New Zealand):** These bright yellow apples have a sweet-tart flavor with hints of lemonade. Enjoy their crisp texture thru November.
- **Charentais Melons (USA-CA):** Sweet, juicy, and full-flavored melon, perfect for platters and snacking. Good supply on new crop thru August.
- **Waterloupes® (USA-AZ):** Crisp texture like a watermelon-tastes like a cantaloupe! Moderate supply with a short 3–4-week season.
- **Blueberry™ Grapes (USA-CA):** Deep blue, crisp and delicious grapes that look like a giant blueberry. Moderate supply, only available for a short season.
- **Organic Plum Bites (USA-CA):** Delicious, juicy, and sweet for a quick on-the-go snack. Good supplies thru August.
- **Organic White Dragon Fruit (Ecuador):** Moderate supplies available weekly on this new crop tropical, just slice open and enjoy.
- **Steamed Baby Beets (France):** Convenient and perfect for a quick salad, side or hors d'oeuvres. Good supplies with year-round availability.
- **Celery Root (USA-CA):** Versatile for adding flavor to soups, sauces, and salads. Good supply on new crop thru November.
- **Organic Ginger Root (Peru):** Popular for flavoring stir-fries, soups, and sauces. Moderate supplies to start on this new crop root.
