## Butterscotch™ Pears

### FEATURED ITEMS:

- **Celery Root (Netherlands):** These large, earthy bulbs can be sliced or diced into recipes to add a mild celery flavor. Delicious raw or cooked.
- **Organic Soup Starter Kit (USA):** Russets, carrots, celery, zucchini and onion are the perfect mix to start your favorite soup. Pre-book now!
- **Marzano Tomatoes (Mexico/ USA-TX):** Moderate supplies on this year-round, full-flavored tomato. Perfect in salads, salsas and hors d'oeuvres.
- **Organic Darkloom Tomatoes (Mexico):** Good supplies on these colorful, juicy, tomatoes. Slice for salads, appetizers or garnishes. Available thru March.
- **Goldenberries (Columbia):** Pre-book these little caped berries to use in desserts or on fruit platters. Remove the papery husk to use in recipes year-round.
- **Kumquats (USA-CA):** Sweet-tart, tiny citrus you can enjoy as a snack or in desserts. Available thru May with volume improving weekly.
- **Organic Mangos (Peru):** Moderate supplies on this popular juicy fruit. Use on platters, in salsas, smoothies or desserts. Available thru February.
- **Jackfruit (Mexico):** New crop on this pungent, juicy fruit. Used in many vegan dishes for its thick, meaty texture. Moderate supplies to start.
