

Week of 01/24/2022

Butterscotch™ Pears

FEATURED ITEMS:

- **Aloe Vera (USA-CA):** Year-round availability with good supplies. Generally used to soothe sunburn, but also contains antioxidants with health benefits.
- **Parsnips (USA-MI):** Good supplies on this year-round vegetable. Perfect when added to soup bases for a mild licorice flavor with hints of spice.
- **Organic Zucchini (Mexico):** Year-round availability to enjoy raw or cooked. Use in sautés, salads, soups and casseroles. New crop available now.
- **Organic Yellow Squash (Mexico):** Versatile vegetable that can be enjoyed baked, broiled, grilled or sautéed. New crop available now.
- **Organic Sugar Snap Peas (Mexico):** Versatile to enjoy for side dishes or dipping trays. Add sweet crunch to salads or on-the-go snacks. Available thru May.
- **Organic Grapefruit (Mexico):** Rio red grapefruit has a red interior with a juicy sweet flavor. Perfect for breakfast or juicing. Good supplies next 4 weeks.
- **Seville Oranges (USA-CA):** Commonly used for marmalade due to its high pectin content; Limited crop, available while supplies last.
- **Ugli Fruit (Jamaica):** Good supplies thru May on this sweet citrus. Great for fruit salads.
- **Candy Hearts® Grapes (Peru):** Moderate supplies on these plump, juicy grapes. Perfect for snacking or platters.
- **Hollandaise Sauce (France):** Perfect to top vegetables, eggs and meats for a luxury flavor. Available year round in good supply.
