Steamed AND READY TO EAT

Mangosteen

Gaya Melons

Asaki Melons

Organic Strawberries
"Harry's Berries"

FEATURED ITEMS:

- **Mangosteen (Mexico):** Moderate supplies to start, with supplies improving weekly. This tropical has a hard shell that protects its juicy, fragrant flesh.
- **Gaya Melon (Mexico):** Looking like a dinosaur egg, these mildly sweet melons are perfect for breakfast or platters. Good supplies thru June.
- **Asaki Melons (Mexico):** Mild and cucumber-like melon enjoyed as a snack or on fruit platters. Good supplies thru June.
- **Organic Strawberries (USA-CA):** Good supplies on the sweetest, full-flavored Harry's Berries available thru June.
- **Cotton Candy® Grapes (Chile):** Tasting like the fluffy candy, but much healthier! Limited supplies thru April, get them while you can.
- **Candy Heart® Grapes (Chile):** Sweet and delicious, perfect on-the-go snack. Limited supplies thru April, get them while you can.
- **Graffiti Eggplant (Netherlands):** These small, colorful eggplant are delicious sauteed, steams and even grilled. Good supplies year-round.
- **Green Tomatoes (USA-CA):** Green-House-Grown, available year-round. Good supplies available on these unripe tomatoes.
- **Orange Habanero Salsa (USA):** Perfect pantry item! Use year-round in recipes calling for some added heat.
- **Shredded Horseradish (Austria):** Add a little kick to any recipe by tossing in a little shredded horseradish! In stock now!
