

Week of 04/19/2021

FEATURED ITEMS:

- **Rhubarb (USA-WA):** Limited supplies to start, with better supplies next month as the weather warms up on this field grown variety. Available thru September.
- **Kiwano Melons (New Zealand):** Good supplies thru June on these spiked melons. Scoop out the lime green seeds for fruit salads, smoothies and desserts.
- **Enjoya Peppers (Mexico):** Moderate supplies for the next few weeks on these colorful "bell" peppers, perfect for slicing and using on platters.
- **Mini Cucumbers (Mexico):** Year-round availability on these crisp, crunchy veggies. Use in salads, on platters or for snacking! Good supplies now.
- **Cauliflower (USA-CA):** Good supplies for the next few weeks on this popular vegetable. Use on platters, in stir fries, casseroles and side dishes.
- **Horseradish (USA-OR/IL):** Good supplies now on this fresh root that adds spice and zest to recipes and dips. Available year-round.
- **Fuyu Persimmons (Chile):** Limited supplies to start, better supplies next month thru June. Can be eaten like an apple when soft to touch.
