Week of 8/16/2021

Organic Lemons

Organic Sweet Corn

Organic Bell Peppers

Organic Mini Cucumbers

## FEATURED ITEMS:

- **Organic Lemons (Mexico):** Moderate supplies to start, will improve weekly thru October for this versatile citrus. Perfect in sauces, dressings or any recipe.
- **Organic Sweet Corn (Mexico):** Crisp and full-flavored ears, perfect for grilling. Good supplies for the next 6-8 weeks.
- **Organic Bell Peppers (Mexico):** Good supplies thru October, with year-round availability. Orange – Red – Yellow.
- **Organic Mini Cucumbers (Mexico):** Available year-round, these small cucumbers are perfect for pickling. Good supplies now.
- **Jubilee Kyoho Grapes (USA-CA):** Good volume thru October on these plump, juicy grapes. Enjoy as a snack or in fresh fruit salads.
- **Asian Pears (USA-CA):** Good supplies thru November on this delicious fruit; looks like an apple, tastes like a pear. Eat as a snack or prepare into desserts.
- **Green Summer Squash (USA-CA):** Also known as "patty pan" squash, these tiny saucer-looking veggies are delicious as a side. Good supplies thru October.
- **Mini Cucumbers (Mexico):** Year-round availability with good supplies now on these tiny, crisp and refreshing cucumbers. Pickle or slice into salads.
- **Murasaki Yams (USA-CA):** Good supplies on new crop; serve baked or mashed all-year-round!
