Jackfruit Pods

melissa's
CLEAN SNAX®

FEATURED ITEMS:

- **Gold Nugget™ Tangerines (USA-CA):** Good supplies thru May on this juicy sweet-tart citrus. Enjoy as a snack anytime.
- **Korean Melons (Mexico):** New crop starting off with moderate supplies. Sweet and juicy with a taste of the tropics to enjoy as a snack or on fruit platters.
- **Kiwano Melons (New Zealand):** New crop available now for this unusual spiked fruit; use in smoothies, fruit salads or desserts.
- **Jackfruit Pods (Mexico):** Convenient and ready-to-eat for recipes, snacking and salads.
- **White Eggplant (Netherlands):** New crop available thru November on this small fruit that is eaten like a vegetable. Slightly sweeter than globe eggplant.
- **Organic Shallots (Netherlands):** Year-round availability on this mild, onion-like bulb that adds flavor to any recipe.
- **Organic Brussels Sprouts (Mexico):** Year-round availability with good supplies for the next 30 days. Delicious sauteed as a side.
