FOLKLORIC

Folkloric implies the patterns, styles or colors that are specific to a particular area or culture. As the poetry of pre-tech life gives energy to a fresh take on all-butforgotten traditions, new forms of folk art are emerging, one that includes a variety of designs and hues from differing backgrounds. Handmade, natural and genuine authenticity pays homage to old ways with a glint of humor and fun.

TERRACOTTA

Comforting and reassuring, the inherent warmth of Terracotta hues have a broad appeal across may cultures, with its comforting presence reaching beyond bricks and ceramics to fabric, painted surfaces, and more. The versality of this cordial shade and surrounding earthy variations make it a perfect color companion.

COMPOSED

inanile Gra

Granite Gra

Introdite Gro

The Composed palette orchestrates a blended harmony of always-classic colors and neutrals. Creating soft harmonies that support both contemporary and casual styling, Composed captures the appeal of non-confrontational pastels and timeless neutrals whose subtle voices quietly soothe. These are colors that reach across generations and beyond trends with an enduring message.
