

RE: Memo

To: Our Valued Customers

From: Peirone Produce Co.

Subject: RE: System Upgrade

Clarification of posted memo-

Peirone Produce will not be closed February 15th and 16th. We will be open as usual, although order times may be affected. The software system upgrade will simply restrict orders from being able to be entered during the 12-hour window of 8pm Saturday Feb. 15th to 8am Sunday Feb. 16th. After 8am, all orders can be placed via web or your salesperson as usual.

If you have any questions, please contact your salesperson.

As always, we appreciate your business, loyalty and understanding.

Sincerely,

The Peirone Produce team.
