Subject: System Upgrade- Shutdown

At Peirone Produce Co. we strive to be the best at serving our customers, which includes the systems we operate on.

There will be a complete core software system upgrade taking place on February 15th/16th. Our system will be unusable from **Saturday Feb 15th at 8pm until Sunday Feb 16th at 8am.** All orders attempting to be placed during that time, will not be able to be processed, this includes online ordering as well. For online orders, a message will appear stating that the system is “down for maintenance”, please simply try logging in again after 8am.

We apologize for any inconvenience this may cause. Please reach out to your sales representative if you have any questions.

As always, we appreciate your business, loyalty and understanding.

Sincerely,

The Peirone Produce team.
