

URGENT – Recall of WayFare Pudding – Chocolate, Vanilla, Butterscotch

December 13, 2019

WayFare Health Foods has initiated a voluntary product recall of our three pudding flavors (Chocolate, Vanilla, Butterscotch) due to a packing issue that may cause premature spoilage and impact product shelf life. We are working closely with the FDA to directly alert consumers and confirm that the product has been removed from the marketplace. We have not had any reports of anyone becoming ill or experiencing adverse effects from the products but want to err on the side of caution.

This recall applies to all pudding with the following lot codes:
